ABOUT

I'm currently studying full stack web development in the University of Pennsylvania LPS Coding Bootcamp. Presently, I am seeking employment in the service industry while I continue my studies. Since September 2019 I have managed the social media accounts for a craft brewery in Pennsylvania, but the majority of my work experience has been in the service industry. With my experience and craft beer knowledge I would make a great addition to your team.

WORK EXPERIENCE

SOCIAL MEDIA MANAGER
Rusty Rail Brewing Company | September 2019 - March 2021

- Managed social media accounts
- Created social media graphics for daily postings
- Managed brewery gift shop operations and inventory
- Starting position in packaging in the brewery
- Bartended at the brewpub, off-site events, and tastings

BRASSERIE LOUIS
Bartender | Jun 2019 - March 2020

- Served bar and restaurant patrons ordered drinks, including beer, wine, liquors, and mixed beverages.
- Performed wait staff duties for diners by taking food and snack orders and liaising with the kitchen.
